

Expo scheduled

THE LEAGUE of Corporate Foundations (LCF) will be holding the 9th annual LCF Corporate Social Responsibility (CSR) Expo on July 14 and 15 at the SMX Convention Center, Pasay City. The event themed "Synergizing for Change" is a two-day conference and exhibit featuring the latest trends, models and practices on CSR. The LCF is a membership association composed of over 70 corporate foundations and corporations seeking to provide business solution to social and environment problems through greater corporate social responsibility.

The two-day event will feature a conference with plenary sessions on CSR and Asian values, Public-Private Partnerships, Responding to the Challenge of Change and special sessions on education, enterprise development, global standards for CSR, utilizing social media and measuring impact. The exhibits will be open to the general public and will feature over 50 booths showcasing corporations, nongovernment organizations and other partner organizations with CSR programs. The CSR Expo is held annually in celebration of National CSR Week and draw the participation of over a thousand representatives from the business community, academe and civil society.
