

'Synergizing for Change' is theme of 2010 LCF-CSR Expo

The League of Corporate Foundations (LCF), an association of over 70 corporate foundations and corporations advocating for greater Corporate Social Responsibility (CSR), has adopted the theme "Synergizing for Change" for its 9th Annual CSR Expo held at Glorietta Mall in Makati City Wednesday (June 16, 2010). The LCF and its members have long been involved in supporting the country's sustainable development, complementing government efforts in the areas of education, environment, arts and culture, health and enterprise development. This year, the LCF hopes to engage other sectors in an effort to make their contributions more strategic and relevant, says Edgardo Amistad (right), chair of the LCF-CSR Expo
